

HAGERMAN & COMPANY®

BIM Collaboration Pro Training for Admins

4-hour class

This course is designed for the Account Admins and Project Admins responsible for setting up projects in Autodesk Docs and configuring Design Collaboration modules. We will begin by examining the workflow for setting up a Project, activating modules, and configuring services. We will review for Account Admins the options when setting up and configuring Autodesk Docs Projects. We will also review for Project Admins the project configuration options for, Autodesk Docs, Design Collaboration

-
